# About EIU-Paris

The European International University (EIU-Paris), is a private higher education establishment authorized by the French Ministry of Higher Education, Research, and Innovation, in accordance to and in compliance with the French Education Act: Code de l'Education Articles L 444-1 to 444-11 and R 444-1 to 444-28.

EIU-Paris is also internationally accredited by the Accreditation Service for International Schools, Colleges and Universities (ASIC). EIU is accredited with Premier University status by ASIC, UK, since 2nd October 2018. ASIC is recognized by UKVI in the UK, is a member of the CHEA International Quality Group (CIQG) in the USA and is listed in their International Directory. It is also a member of the British Quality Foundation (BQF), an affiliate of European Network for Quality Assurance (ENQA) and an institutional member of European Distance and E-Learning Network (EDEN).

EIU-Paris has also obtained accreditation candidacy status, and is currently pursuing programmatic accreditation from the Accreditation Council for Business Schools and Programs (ACBSP), United States.

The European International University is further audited and quality assured, as well as ranked, by internationally acclaimed bodies such as QS, ACBSP, ECBE, BGA, ATHEA, and CEOWORLD Magazine.

The European International University, EIU-Paris ranked at #55 for 2023 - by obtaining a total evaluation score of 84.58 (out of 100%), by CEOWORLD Magazine, along with other prestigious institutions such as London Business School, MIT Sloan School of Management, Wharton, Harvard Business School, and many others.

# Professional Doctorate

---

European International University follows Professional Doctorate via VAE Process (Validation of Acquired Experience) is a pathway for professionals who have extensive experience in their field to earn a doctoral degree. VAE Process is a specific procedure in France that allows individuals to obtain certification of their professional experience, without necessarily following a traditional academic program.

The Professional Doctorate via VAE Process is designed for professionals who have acquired significant work experience in their field and wish to validate this experience by obtaining a doctoral degree. The process involves presenting a portfolio of evidence of professional experience, including certificates, diplomas, and other documents that demonstrate the candidate's skills and knowledge in their area of expertise.

To pursue a Professional Doctorate via VAE Process in European International University, Paris France, candidates must meet certain eligibility requirements. These may include having a minimum number of years of professional experience, holding a relevant degree or certification, and demonstrating a high level of expertise in their field.

Once eligibility is established, the candidate must submit a portfolio of evidence of their professional experience to a VAE jury, which is made up of academic and industry experts in the candidate's field. The jury will review the portfolio and evaluate the candidate's level of expertise and knowledge.

If the candidate's portfolio is accepted, the candidate will be awarded the Professional Doctorate via VAE Process. This degree is equivalent to a traditional doctoral degree and carries the same level of recognition and prestige.

Overall, the Professional Doctorate via VAE Process in France is an excellent option for professionals who have extensive experience in their field and wish to earn a doctoral degree without having to complete a traditional academic program. The process is rigorous, but it provides an opportunity for individuals to validate their professional experience and gain recognition for their expertise globally.
